

Dear Friend,

Charlotte Hungerford Hospital's Fall Sunset Barbeque fundraiser will be a memorable event for a great cause and we are asking for your support of our hospital and local first responders.

This year, our goal is to raise \$30,000 to purchase life-saving Lucas chest compression system devices for our first responder partners across the region. These systems deliver high quality compressions to cardiac arrest victims in the field and during ambulance transport that help optimize the chances of survival for patients and ensure the safety of emergency staff. The devices are also a critical part of the hospital continuum of care when seconds count.

Please consider one of the following sponsorship opportunities:
